THE LISTIES PRESENT

# The Listies: ICKYPEDIA LIVE

Written by Richard Higgins and Matt Kelly

These October School Holidays

6 -7 October, Illawarra Performing Arts Centre

Australia's fave kids comedians, The Listies, are bringing their hugely successful first book (published by Penguin) *ICKYPEDIA: A Dictionary of Disgusting New Words* to the stage!

*ICKYPEDIA* will be a hilarious stage show for kidults (kids and their adults). Jammed packed full of the high-class, arty things that kids love like poo jokes and vomiting, the show will feature a live action cooking show by "Heston Bloomenhell" (the world's worst cook), an episode of time-lord "Dr Poo and his Turdis" and an actual, real-life "Hootengranny" (Nans having a good time).

*ICKYPEDIA* answers all of life's important questions: How do you take a SMELLFIE? What is a HOOTENGRANNY? And how does one avoid a FARTQUAKE?

Interactive, energetic and astoundingly funny *ICKYPEDIA* will entertain and delight audiences young and old!
